EXAMPLES OF ETCHING

DO YOU KNOW THAT DEFEND ALSO PREPARED ANOTHER NEW FOR ITS CLIENTS, EXTENDED DEFEND GUARANTEE 3.000 CZK?

HOW DOES IT WORK?

We would like to offer to our customers something new again and we think that **compensation of 3.000 CZK in case of car theft** is not bad. This sum will help you to eliminate financial loss and it will **cover invested money** used for **safety car glass etching of VIN code**.

HOW TO DO IT?

Just ask your dealer of safety marking for **online registration up to 10 days from application date** of etching VIN code to your car glass by **DEFEND.VIN.PRO.TEC**. It is very quick and easy,

WHAT IS DEFEND.VIN.PRO.TEC?

DEFEND.VIN.PRO.TEC is **car glass etching of VIN code** by DEFEND GLASS MARKING SYSTEM technology.

- VIN code etching **lower the probability of car theft by more than 74 %**
- **Discounts from insurance companies** for passive “deterrence” of thieves
- Car with etched VIN code becomes unsellable for spare parts by the thieves or **prevent them from exporting it abroad**
- permanent etching of VIN code **identify the car**
- **Warning sign** discourage thieves from the stealing in the first place

in few minutes you can walk away with Registration certificate. With extended Defend Guarantee 3.000 CZK you have possibility how to get **during next 12 months sum of 3.000 CZK** for free.

WHAT TO DO IN CASE OF THEFT?
